

ADVENTURE MAP

APPROX. 1 HOUR

Meet our meerkats!

Our highly social Meerkats live in large groups and love to spend their time sunbathing and grooming each other. Come and say hello!

Leopard tortoise

The Leopard Tortoise lives for around 80 years in the wild and has special markings on its back that are unique to each tortoise.

Hide and Seek

Visit some of Australia's most amazing animals in the Bandicoot Hideout and check in with super spy Baz the Eastern Barred Bandicoot and help him find out what happened to his friends.

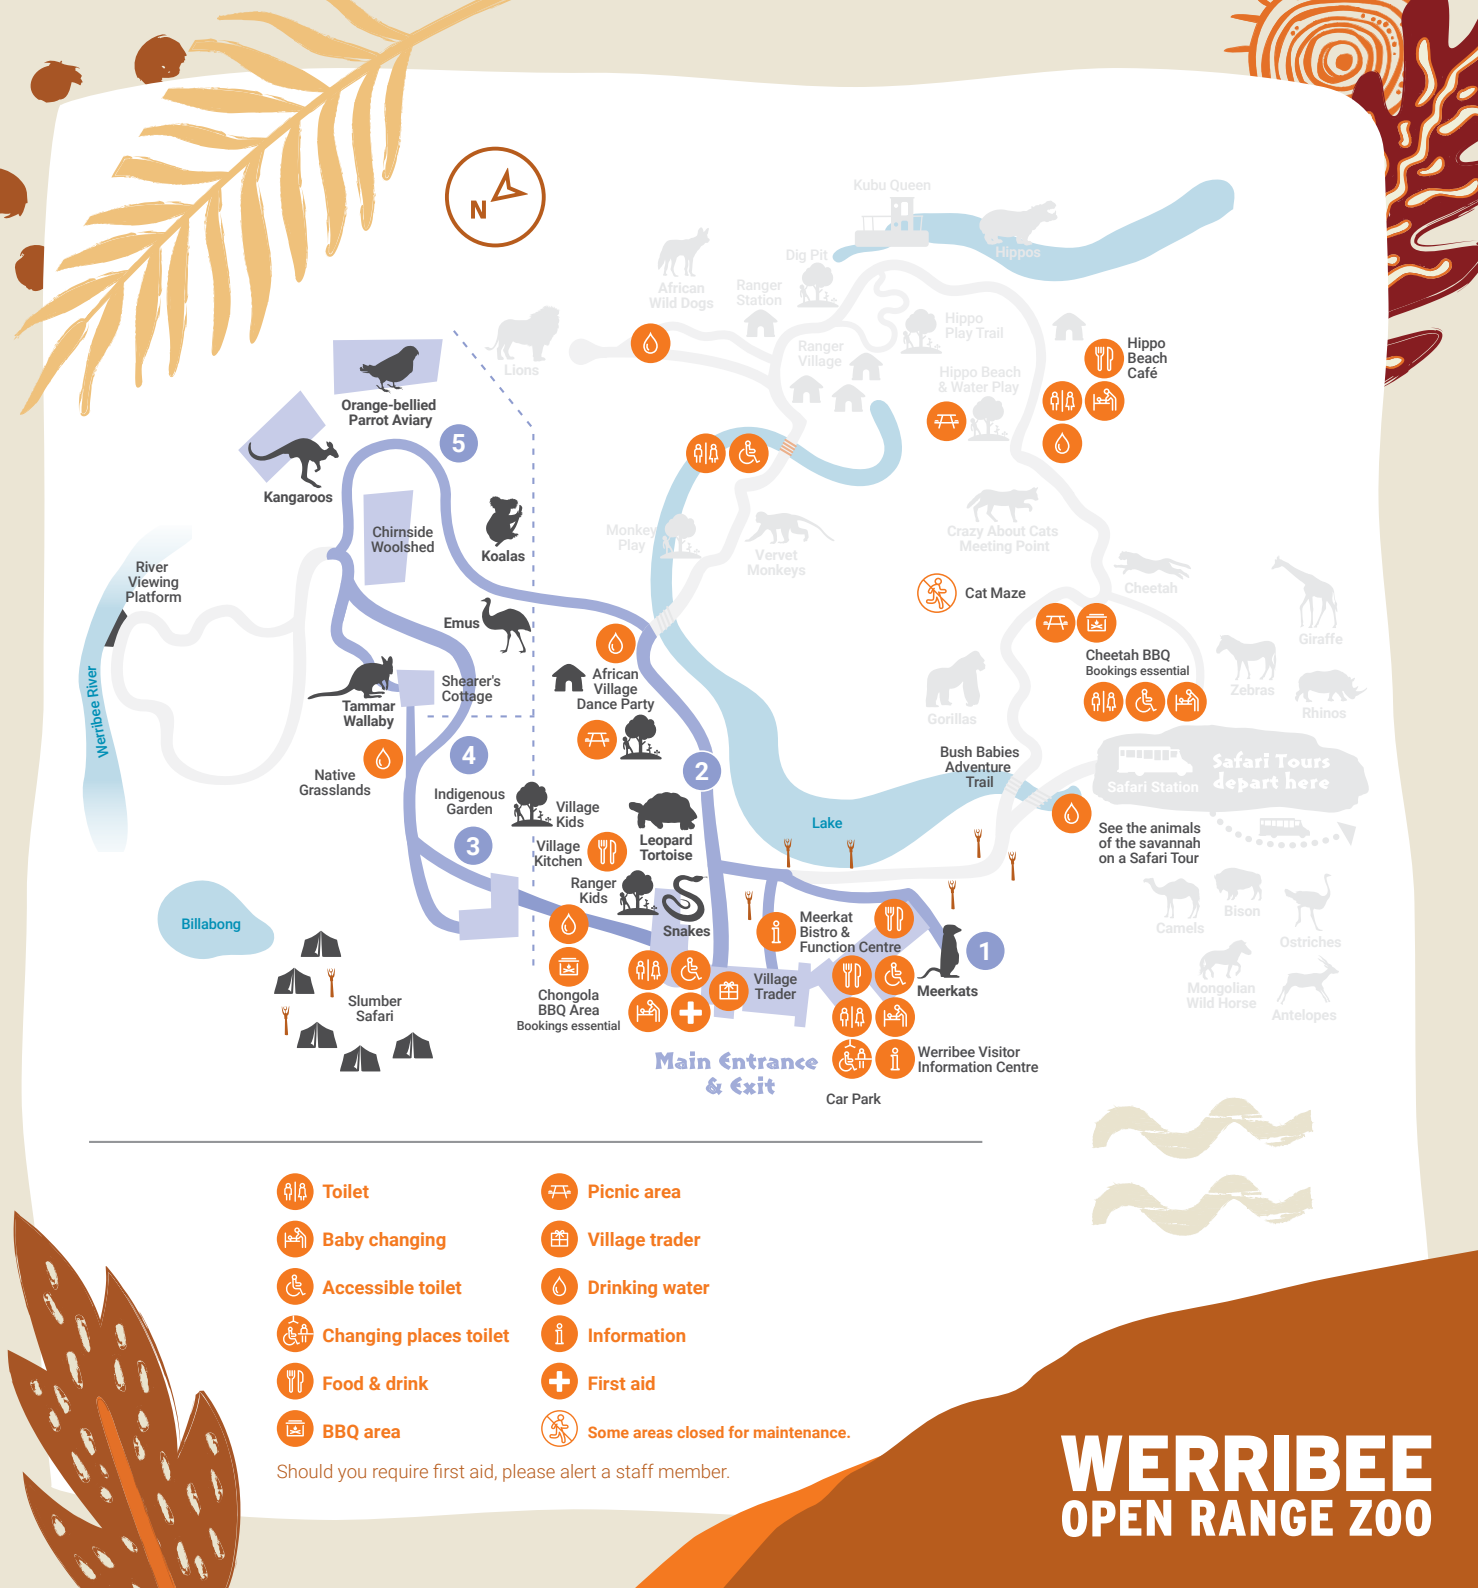

Just hanging!

Koalas can eat up to one kilogram of leaves in a day. See how many you can spot.

Orange-bellied Parrot

This critically endangered bird is very special as it flies all the way from Victoria to Tasmania every year.
