

# DISCOVERY MAP

APPROX. 2 HOURS

1

## Let's hop around!

Kangaroos can take giant leaps, sometimes as far as three times their own height! How far you jump?

2

## Orange-bellied Parrot

This critically endangered bird is very special as it flies all the way from Victoria to Tasmania every year.

3

## Just hanging!

Koalas often become big eaters, shifting up to one kilogram of eucalyptus leaves in a day! See how many you can spot.

4

## Meet our flightless emus!

Found all over Australia, these large birds are instantly recognisable thanks to their size and speed. Come say hello!

5

## Leopard tortoise

The Leopard Tortoise lives for around 80 years in the wild and has special markings on its back that are unique to each tortoise.

6

## Meerkat-mania!

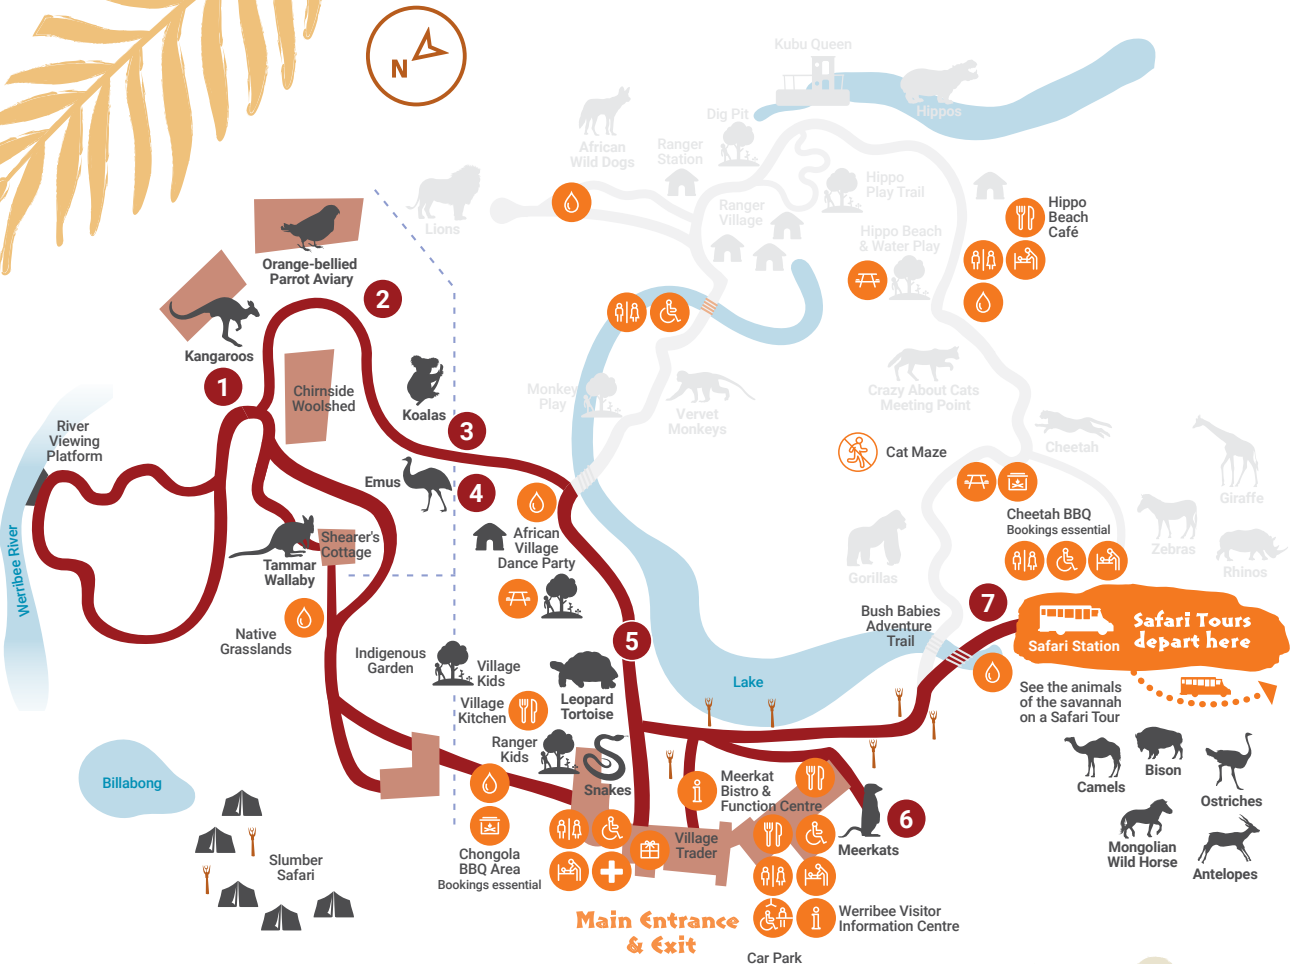

Found all over Australia, these large birds are instantly recognisable thanks to their size and speed. Come say hello!

7

## Safari Station

Head over to the Safari Station and experience your own African adventure. You will be completely immersed in the sights, smells and sounds of the savannah as you travel across the Zoo's open plains.
