

BUBBLES!

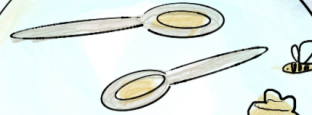

you
Need:

$\frac{1}{2}$ cup dish detergent. Choose an eco/biodegradable brand.

5 CUPS Water. Soft or distilled best.

2 Tablespoons Vegetable glycerin OR corn syrup OR Honey

MIX together then leave overnight or for 4 hours.

GIANT BUBBLE WANDS

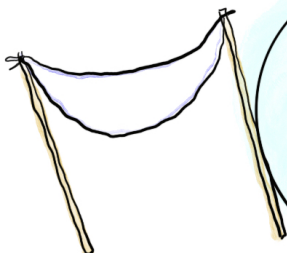

Dip into Mixture....
Bring ends together then.....
OPEN WIDE & let bubbles fly

~~BUBBLES NOT BALLOONS~~

Balloons are the deadliest litter when eaten by seabirds. Switch to bubbles and save wildlife.

x2 sticks
x2 cotton cord/rope (or tied pieces of a Mop head)

Want MORE bubbles?
tie extra cord loops along main cord.
